The background features a series of overlapping, semi-transparent green geometric shapes, primarily triangles and quadrilaterals, that create a dynamic, layered effect. The colors range from a light, pale green to a vibrant, saturated lime green. The shapes are arranged in a way that suggests movement and depth, with some shapes appearing to recede into the background while others come forward.

## What to Bring

### Class A

Please note: Scouts and leaders will wear Field Uniform (uniform shirt with trousers/shorts and belt) to dinner each day. Activity Uniform (Scouting T-shirt with trousers/shorts and belt) is the recommended attire for breakfast, lunch, and program areas unless special clothing, like swimwear, is required.

### Class B

New Class B shirts will be handed out when you arrive at camp, if you ordered them. Bring any old ones you have as well. You must wear the Dark Blue Class B shirts when not in Class A.

## Cell Phones

- ▶ If you have your Cyber Chip you may bring your cell phone.
- ▶ Cell phone may only be used for BSA Activities, such as research for a merit badge or lyrics for a campfire song. Ask an adult or your SPL before using the cell phone.
- ▶ Cell phones used for non-BSA Activities will be confiscated and returned to a parent at the end of camp.
- ▶ Sequassen strictly forbids the use of cell phones in dining halls.

# Snacks

- ▶ Skunks and Racoons and Bears all love snacks.
- ▶ Snacks must be stored in the Trailer - not in a trunk or a tent. Skunks and Racoons are resourceful, they will get into your trunk or try really, really hard to do so.
